

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

The reader is referred to "An Index to the Pedigrees and Arms contained in the Heralds' Visitations, and other Genealogical Manuscripts in the British Museum," by R. Sims (London, 1849, pp. 273 to 285), wherein will be found an alphabetical list of the Families whose Pedigrees or Arms are referred to in the MSS. above enumerated bearing this mark (†).

With reference to the Visitation of Surrey in 1552 by Hawley (British Museum, Add. MS. *7098), there seems to be much doubt. The following is a note on the subject extracted from "Notes on the Heralds' Visitations," by George W. Marshall, LL.D., which appeared in the "Genealogist," New Series, vol. iii., p. 35 :—

"Add. MS. professes to contain a Visitation of this County (Surrey) in 1552, together with those of Essex and Hampshire. Mr. Metcalfe has included the Essex pedigrees in the volume he edited for the Harleian

Society, but observes that this MS. is the only authority for saying that a Visitation was made in this year."

It should be noted that a portion of the Visitation of 1623 (which contains 281 Pedigrees) has been printed in the Collections of the Surrey Archæological Society. Up to the present time (1899) 188 only of these Pedigrees have appeared in the Collections. They were edited from time to time by the following gentlemen: William Henry Hart, F.S.A., Joseph Jackson Howard, LL.D., F.S.A., and Mill Stephenson, B.A., F.S.A.

The Editor believes the transcripts principally used were Harl. MSS. 1430 and 1433.

The Volumes of the Collections in which the Pedigrees appear are Vols. I. (1858), II., III., IV., V., VI., VII., VIII., X., XI., and XII. (1895).

The exact spelling of the manuscript has been retained, and any additions or explanations made by the Editor appear in brackets. The Editor's chief aim has been to reproduce faithfully the MS. in print, and so save all readers the trouble of referring to the MS. in the British Museum.

Care has been taken in accurately blazoning the Arms as they appear tricked in the MS., and where any variations or addition of tinctures occur reference is made to it within brackets. It might be observed that where the following charges appear in the Arms, viz., "a lion rampant," "an eagle displayed," the Editor has blazoned them throughout as "a lion" and "an eagle."

The Editor has given much attention to the identification of the names of the quarterings, and trusts that these identifications, which are comprised within brackets, may be found correct. Those not within brackets appear in the MS.

The Editor has to express his thanks to his friend OSWALD BARRON, Esq., for much help during the progress of the work. The Editor is also indebted to GEORGE W. MARSHALL, Esq., LL.D., F.S.A., Rouge Croix Pursuivant of Arms (a Member of the Council), and has to thank him for the assistance he has kindly given.

6. Members may at their option subscribe Two Guineas per annum, in which case they will be entitled to the publications of the Register Section of the Society.

Report for the Year 1898.

THE Council have to report that, since the Annual Meeting last year, eleven new Members have joined the Society, of whom five are Subscribers to the Register Section, and one of these has joined that Section only.

During the same period the Society has lost three Members (one of whom belonged to the Register Section) by death; four Members (one of them belonging to the Register Section) have resigned, one Member has resigned the Register Section only, and the name of one Member (who subscribed to the Register Section) has been removed under Rule X.

The number of Members now on the Roll is three hundred and thirty-four, of whom one hundred and eighty-six are Subscribers to the Register Section.

The issue of the Publication for 1898, "The Visitation of Kent in 1619," edited by Mr. HOVENDEN, has been delayed owing to the illness of the Editor; but the printing is now progressing, and this volume will be issued to the Members as speedily as possible.

In the Register Section the issue of the volume for 1898, "The Register of St. Martin in the Fields, from 1550 to 1619," has also been unavoidably delayed; it is, however, ready to be bound, and will be in the hands of the Subscribers at an early date.

The Council intend to publish not less than two volumes as the ordinary issue for 1899; and the Publication for the Register Section will be "The Registers of St. Paul's Cathedral," to be followed by "The Registers of the Chapels Royal."

The Members of the Council who retire by rotation are Lord HAWKESBURY, Mr. MOENS, and Mr. ATHILL.

The Balance Sheet for the year 1898, duly audited, is appended to this Report.
